Re: Prince George's Hospital Center
CON Application for a Replacement Hospital

To whom it may concern:

HOK is the architectural healthcare planning and design firm that is designing the proposed Prince George's Hospital Center's new replacement facility in Largo, Maryland. I am confirming that the architectural design of the operating rooms suite at the proposed facility complies with Section 2.2 of the FGI Guidelines.

If you have any questions, you may contact me directly.

Regards,

HOK
